Update on JoAnn and Doug

It was great to welcome back Doug at last week's meeting, but he is still in the rehab stage at home following his by-pass surgery.

JoAnn's heart valve replacement surgery is scheduled for this Monday, March 13, around 1:00pm. When she is released from the hospital, she will join Doug, doing rehab at home. "Both plan to being back to a better than ever normal by July."

The Chili/Taco Dinner, which we cohosted with the Belleville Boy Scouts for the first time,, was very successful. It was a pleasure working with the Scouts!
