Bastille Day, August 17, was held in the Library Park. Paul and crew put up a nice shelter which protected the sweet desserts and jewelry from the 90 degree heat. Our members filled the tables with tasty treats. Several groups were grilling (almost did not need a grill), among them the Boy Scouts, Police Department, the Sugar River Community Theatre Group. Bands played from 2:00pm to 10:00pm! There was a respectable crowd, but it was too hot for most people.

JULY BOARD MEETING EXCERPTS AND ADDITIONAL HAPPENINGS

The Chili Dinner Fundraiser date will be established by Fred and Jerry after checking with the high school's schedule. There was some discussion of moving it back to the old high school.

The Pancake Breakfast/Jerry's MDA/Run, Saturday, August 14 in Verona. We hope to have the tickets at the next Committee meeting, July 21, and will then get them to you. The more tickets sold, the more funds for our projects will be raised!

If you have not as yet signed up to work either the first or second shift Saturday morning, August 14, and are available, please call Barbara (424-3687)

Books for the **Bookworms Project** will be purchased early in September. This will allow for more accurate enrolment figures in pre-school classes. Sue has again done a great job in securing funds from local businesses for this project.

Pediatric Bags. The WI-UM District has received a \$100,000 matching grant, and, if matched, this should complete the statewide project.

A Red Cross Baby Sitting Training program has been organized by Ginny Robbeloth. Participation by Belleville youth in the day-long program will certify them as baby sitters. Training consists of sessions in first aid, making healthy snacks, and playing simple games, to name a few. She needs help with start up costs and the Board agreed to provide \$50.00.

Carol, Doug and Fred will be our delegates at the **District Meeting** in Appleton August 21.
