21st Gary Bubenzer

28th Esther Huntoon

Notes from July 11 board meeting:

The Board decided not to participate in Lake Fest this year. We will continue to take part in **Belleville's UFO Day, Saturday, October 28**, having our food stand in Library Park. Our **Chili/Taco Event** with the Belleville Boy Scouts is set for **February 18th**

Members will continue to supply the programs for our meetings, as it has worked well. When Gary becomes President in October, he will appoint someone to coordinate scheduling.

Compliments have been received for **our publicity efforts**. **Thanks** should go to **Wayne** for the website and photos, **Sue** for newspaper articles, and **Barbara** for calendar/newsletter.
