- 6th Doug Viney**
8th Dave Nichol
14th Yvonne Remy

Notes from November 14th Board Meeting:

After discussing **Cameroon School Library Book Drive**, the board approved contributing to the procurement of

books or the shipping costs, when program details have been developed by Peace Corps volunteer Luke Neumann, of Belleville .

The originally scheduled **program for November 16th** had to be changed to a later date. Instead we will have an **Idioms from Club Members Night!** Members, please bring at least one of your favorite family idioms with its origins if available. (Hint: the internet may be able to help you.) Jim has been avidly collecting idioms. It is rumored that he has over one hundred forty. “How many are in your pocket?”

The **Salvation Army Bell Ringers** will be at Burreson’s on December 1st and at Shopko December 2nd. **Fred** is arranging the schedule.

After selling their Belleville home. **Doug and JoAnn** are busy moving to their new home at
7120 Timberwood Dr.
Madison 53719

Dates for our upcoming Blood Drives: January 23 and September 25

Last week we lost long time member **Joanne Cate** (wife of **Charter member Paul Cate**) after a prolonged illness. Over the years, she shared her many talents generously with her family, the community, her church, Grace United Methodist AND

she still had time for Kiwanis! She was attending meetings until the very end!

It is doubtful that her record for selling chili tickets will ever be reached, but we can try. Her hot cocoa was savored by all at our food stands! She will be missed.

Thank you, Joanne
