#### Notes from June 12 Board Meeting:

The morning of June 7<sup>th</sup> was a busy time for our club. It was Honor's Day for Belleville students.

The Middle School Awards were announced first. Our Academic Achievement Awards Certificates were given to Matthew Loshaw (Math), Risandi Bartle (Science), Alexandra Stecklis (Language Arts), Karena Simmons (Social Studies), and Callie Smith (Fine Arts) by Corey Brozyna, Bob Gentilli and Theresa Schultz.

Before the high school Honors Program our members had a reception, organized by Sue Bonacker and Jill Wennesheimer, for the seventh and eighth grade students.

At the High School Honors Program Corey presented our Academic Scholarship to Cassidy Heller, Life Skills Scholarship to Holly White and the World Affairs Scholarship to Connor DeLorme.

The World Affairs Seminar will be later this month, June 23-29 at Carroll University. The theme this year is "Innovation: Shaping the World You Will Inherit." Connor will give us a report when he returns.

We will have a road cleanup later this summer. The date will be announced.

**Question:** Who has frozen chili from our dinner last winter? Please call Sue.
