On June 7* at 8:00am, our **Middle School Academic Achievement Awards** will be presented to the following students:

- Matthew Loshaw – Math
- Risandi Bartle – Science
- Alexandra Stecklis – Language Arts
- Karena Simmons – Social Studies
- Callie Smith – Fine Arts

Our members will provide cookies and bars at a reception for all middle school students following the awards program.

***The Awards program replaces the REGULAR MEETING on this date.**

Our **Garage Sale and Bake Sale** were very successful! Jerry and Jill deserve many thanks for their planning, managing, and working all week. The members added to the success by working countless hours countless days!

We will have a **highway cleanup** Saturday, May 19 at one o'clock and **help will be needed** even though some of the route has already been cleaned by friends of Kiwanis. Paul will be at Casey's with supplies for the workers.

Lakefest/Bastille Day will be celebrated in Belleville July 14. Our club has been invited to participate by having a food booth. Corey will check on the details and report back so a decision can be made at our next meeting
