Notes from April 10th Board Meeting:
President Gary and his wife Director
Sandy will be on a four-month leave of
absence due to medical needs. We wish
them well and a speedy recovery! They will
be missed, but we all can help when and
where needed

Vice President Corey is now Acting
President and can be contacted for your
questions and concerns and offers of help.

We will participate in the **Community**
Garage Sale, May 4-5, this year. **Jerry** has
reserved the Old Library from May 2 to May
6. Call Jerry if you or someone you know
can help transport items from storage to
Library Park ahead of time. Jill will
organize the Bake Sale.

Our annual **Middle School Recognition**
Banquet will be a part of the Awards
Program at the Middle School this year on
June 7th (date not yet confirmed). We will
supply the certificates, the school staff will
read the letters written to the honored
students, and we will provide refreshments
for all who attend the program.

Our **Academic Scholarship Committee,**
Corey, Sue, and Doug, will select
candidates for this scholarship.

We will have a **highway cleanup** Saturday,
May 19 at one o'clock and **again help will**
be needed. Paul will be at Casey's with
supplies for the workers.
