Note time change

MARCH BIRTHDAYS AND ANNIVERSARIES

None

An update from JoAnn and Doug:

According to JoAnn, “They are a little out of commission right now. Doug had unexpected heart by-pass surgery on February 2 but is progressing very well at this time at home. Not unexpectedly, JoAnn will have heart valve replacement surgery on or about March 10. Then she will start her recovery and rehab. Both plan to being back to a better than ever normal by July- just in time to take their usual RV trips to the Sheboygan area and two weeks in Door County.”

This is good news though we will miss them at the Chili/Taco Dinner this weekend!

By the way, anyone working in the kitchen at the Dinner must wear a cap. Sue has ordered some caps for us. If you have any questions about this event, do call Sue, Fred, or Jerry.

JoAnn had set the annual schedule and volunteer “leaders” will fill in for her through the remaining meetings of this year.

Our April 6 meeting is set for 5:00pm at the Corner Café so that anyone who would like to can attend the 7:00pm program at the high school. Wisconsin Author Michael Perry is the speaker.
