Bastille Day. A thought—We could probably provide more French flourishes if we put our minds to it. (We did take in \$190.00 in spite of the weather!)

AUGUST BOARD MEETING EXCERPTS, etc.

Road Cleanup. Having just driven some two thousand miles observing many things, I can say that I am proud of the way we maintain our two miles of highway. WELL DONE! Understand that five thousand two hundred fifty-one mosquitoes were also disposed of on that same stretch just before the Annual Community Picnic!

Pancake Breakfast. The second year things went really well. Working with the Verona Club, the operation was a success. What we need are more eaters. A final accounting will be presented when all the figures are in. **If you have not already done so, please turn in the money from the tickets you sold to Jerry or Barbara.**

September meetings will be devoted to Arrowheads and Human Trafficking. Jim Huntoon and JoAnn Gruber-Hagen are the presenters for the month.

The **October 16 Pancake Breakfasts** will be held at all three Madison area Applebee's for the SOS project. This is a division effort.

The **Chili Dinner** has been scheduled for February 27. Plans are underway.

The company **Imagination Station** has requested readers for the Bookworm Program. Susan will check finances, etc., to determine whether we can pursue this further. This program continues to be a winner. The books for this project will be purchased in September when enrolment figures are available.

Food Stand at Burreson's. This will be considered as a project for next summer, 2011.
